Dear [Company],

Making simple mediums feel livelier is a great passion of mine. Watching as a website becomes a work of art, it makes me feel like I have accomplished something grand. Whether I'm working alone, as a team, or leading the way, I will showcase a strong work ethic and become a solid part of your team.

I am someone who can get the job done and provide results beyond the basic requirements. With experience in many different applications, you can rest assured that I come with these qualities:

- Adaptability
- Attention to detail
- Dependability
- Speediness

With my uplifting personality and passion to create, you will find exactly what you are looking for and more.

I would love to get in contact with you and discuss any opportunities! Get to know me by calling or emailing me, and I will be sure to reply as soon as possible.
